REMEMBER ALWAYS

I am the Riffle, the Cougar's yearbook.
Remember the young and carefree ways
Of your teenage years and your high school
days?
Of happy hearts so young and free,
And while remembering, don't forget
me . . .

I am that friend that you loved so well,
That final exam you almost failed.
The high school ring you love above all
And the plans you made for the senior ball.
The dances and games that were held for
you,
The afternoon rallies and assemblies, too,
The questioning smile on a teacher's face,
The winning score in a track meet race,
The cheerleaders dressed all in blue and
white
And the kids all yelling, "Fight for Victory,
Fight!"

The senior tree and co-ed P.E.,
And frat socks and short skirts above the
knee,
Boys in cord levis and tennis shoes,
The Riffle staff and the Hangtown Noose,
The many things that you hold so dear,
From your freshman days to your senior year.

It is all here if you care to look,
For I am the Riffle,
The Cougar's yearbook!

Dedication

ROBERT L. LUNG

It is with pride that we dedicate this 1964 **Riffle** to Mr. Lung, our principal, who has become a vital part of El Dorado High School and the community. His ability to project wisdom and understanding into the problems of students, teachers, and citizens, and his capable and fair decisions as an administrator have earned for him the high esteem and admiration of all who know him.

A native of Sacramento and a graduate of Sacramento High School and Sacramento Junior College, Mr. Lung received his degree with a major in history at the University of California in Berkeley. His graduate work has been completed in the field of history and school administration.

In 1936 he came to Placerville, and El Dorado High School welcomed him as a member of the faculty. He was soon active in civic affairs by becoming a member of the County Planning Commission. Today he is chairman of Civil Defense and a member of the Recreation and Development Committee on the Planning Commission.

This is our tribute to a leader who has given unselfishly of his time and varied talents. He has the courage of his convictions and innate good will for his school and this community. For this drive and integrity of character, Mr. Lung, El Dorado will always remember you, and thank you.

*Remember
Always!*

Parting is death — a passing comes to an end; it is carried off in a coffin — it drops out of life one way or another, and the earth covers close over it, and we see it no more. But it has been a part of our souls, and it's eternal. — Thackeray

This year Mrs. Williams carried on with the Creative Writers' Club started by Mr. Harvey. The club has grown quite a bit due to the interest promoted by the new Creative Writing class. A new school publication has been started by the club, a booklet called the Omega, and consists of work submitted by the club members.

Congratulations, Creative Writers!
